

Calculation & Cancellation Policy

At Square One Agri Marketing, we are committed to delivering professional and high-quality service to each and every event we support. Our team dedicates substantial time and resources to prepare for each scheduled event, including staffing, equipment preparation, travel logistics, and customized planning.

Due to the nature of our business and the operational costs involved, we have implemented the following Calculation & Cancellation Policy:

1. In the event that a scheduled event is canceled, a minimum fee of \$1,000 will be charged if event is 2 weeks or less.
2. This fee is applied regardless of the reason for cancellation and is non-negotiable.
3. Less than 2 weeks prior to the event: If cancellation occurs within two (2) weeks of the scheduled event date, 100% of the total event fee shall be due and payable by the Event Organizers to Square One Agri Marketing.
4. The cancellation fees help cover costs already incurred, including but not limited to labor allocation, travel expenses, accommodations, and equipment reservations.
5. Events that are rescheduled may still be subject to the cancellation fee, depending on timing and availability.

This policy ensures we can continue offering reliable services while honoring the commitments we make to our team and other clients.

By booking with Square One Agri Marketing, clients acknowledge and agree to this cancellation policy in full.

We appreciate your understanding and cooperation. If you have any questions or need further clarification, please don't hesitate to reach out to our team.
